## Retail Real Estate Consulting

Bieri Company is the industry leader in Retail Real Estate Consulting.

Founded as The Bieri Company in 1976, Detroit, Mich.-based Bieri Company is recognized around the globe as a leading national retail real estate consulting firm specializing in tenant and landlord representation, strategic consulting, legal services and comprehensive market analysis. The firm's established relationships with key industry decision makers and unique service offerings, which include in-house legal counsel and the acclaimed Bieri Market Reports, have helped retailers, landlords, consultants, analysts and real estate professionals make the most informed decisions for more than 30 years.

We specialize in solving unique problems for our clients and operate as an outsourced real estate department providing services in four distinct areas of retail real estate:

- Tenant Representation
- Landlord Representation
- Legal Services
- Bieri Market Reports
- Business Acquisitions & Dispositions
